Dancing to the feel of the drum  
Leave this world behind  
We'll have a drink and toast to ourselves  
Under a Violet Moon

Tudor Rose with her hair in curls  
Will make you turn and stare  
Try to steal a kiss at the bridge  
Under a Violet Moon

Raise your hats and your glasses too  
We will dance the whole night through  
We're going back to a time we knew  
Under a Violet Moon

Cheers to the Knights and days of old  
The beggars and the thieves  
Living in an enchanted wood  
Under a Violet Moon

Fortuneteller what do you see  
Future in a card  
Share your secrets, tell them to me  
Under a Violet Moon

Raise your hats and your glasses too  
We will dance the whole night through  
We're going back to a time we knew  
Under a Violet Moon

Raise your hats and your glasses too  
We will dance the whole night through  
We're going back to a time we knew  
Under a Violet Moon

Close your eyes and lose yourself  
In a medieval mood  
Taste the treasures and sing the tunes  
Under a Violet Moon

Tis my delight on a shiny night  
The seasons of a year

To keep the lanterns burning bright  
Under a Violet Moon

Raise your hats and your glasses too  
We will dance the whole night through  
We're going back to a time we knew  
Under a Violet Moon

Raise your hats and your glasses too  
We will dance the whole night through  
We're going back to a time we knew  
Under a Violet Moon
