[Disconnected]  
[Jilted] From a place in the back of my mind.  
There's no time for a reconcile.  
[Tilted] In a way that I cannot define.  
Gonna take what I know is mine.  
Close your eyes and watch me fly  
Everything I've left behind  
All I want is piece of mind  
[DISCONNECTED]  
How in the world did I get so free  
Nothing's gonna get to me  
Cause I'm far too happily  
[DISCONNECTED]

[Deny] All the shame that you're feeling inside  
Runaway from the sense you hide  
[Don't try] We don't all suffer from lack of pride  
So get back to your so-called life

Close your eyes and watch me fly  
Everything I've left behind  
All I want is piece of mind  
[DISCONNECTED]  
How in the world did I get so free  
Nothing's gonna get to me  
Cause I'm far too happily  
[DISCONNECTED]

All of my life,  
Answering to someone else  
Living to die,  
Never asked for your help  
Buried inside,  
It was here once nevermore  
Nowhere to hide,  
I'm still alive won't die [won't die]  
To get rid of this pain  
I gotta [FIGHT, FIGHT]  
To get rid of you  
Is my [RIGHT, RIGHT]  
Take it away,

I don't need this anymore,  
It's time to delay,  
My disconnected life

Close your eyes and watch me fly  
Everything I've left behind  
All I want is piece of mind  
[DISCONNECTED]  
How in the world did I get so free  
Nothing's gonna get to me  
Cause I'm far too happily  
[DISCONNECTED]

Close your eyes and watch me fly  
Everything I've left behind  
All I want is piece of mind  
[DISCONNECTED]  
How in the world did I get so free  
Nothing's gonna get to me  
Cause I'm far too happily  
[DISCONNECTED]
