Woo!

She gave me
A bunch of nasty little looks
She called me every
Dirty word that's in the book
She says you
Just wanna party every night
I think it's time you get
A feel for what it's like
She says you
Don't know what your in for
You, tonight, she says
You're gonna get yours

Now she's drinkin' till she's pretty
At a party in the streets
She's on a mission
And it's going to extremes
A wild side of her
I didn't wanna see
'Cause she's drinkin' till she's pretty
Much forgot about me

Well I knew
That she was good upon her threat
She smiled at me
And wrapped her arms around my friend
She says don't you worry baby, just forget about him
She waved to me
With that sadistic little grin
And says you
Don't know what your in for
You, tonight, she says
You're gonna get yours

Now she's drinkin' till she's pretty
At a party in the streets
She's on a mission
And it's going to extremes
A wild side of her

I didn't wanna see
'Cause she's drinkin' till she's pretty
Much forgot about me

She says you
Don't know what your in for
You, you're gonna hurt
A little more
Yeah you, tonight, she says
You're gonna get yours

Now she's drinkin' till she's pretty
At a party in the streets
She's on a mission
And it's going to extremes
A wild side of her
I didn't wanna see
'Cause she's drinkin' till she's pretty
(Now she's drinkin' till she's pretty)

Drinkin' till she's pretty
At a party in the streets
She's on a mission
And it's going to extremes
A wild side of her
I didn't wanna see
'Cause she's drinkin' till she's pretty
Much forgot about me
Drinkin' till she's pretty
(Much Forgot about me)
She's drinkin' till she's pretty
Much forgot about me
Drinkin' till she's pretty
(Much forgot about me)
She's drinkin' till she's pretty
Much forgot about me
Drinkin' till she's pretty
Much forgot about me
Drinkin' till she's pretty
(Much forgot about me)
She's drinkin' till she's pretty
Much forgot about me
Drinkin' till she's pretty
Much forgot about me
Drinkin' till she's pretty
Much forgot about me
Drinkin' till she's pretty
Much forgot about me
