I cannot deal
I don't wanna show my face to the world today
It's like two different people live inside of me
And you're so perfect
You left me living inside of this whole
I'm tearing away from my soul
I feel myself losing control
I'm living for nothing
Chorus:
What would it be like to live a day in your life?
I want to know
[Living for nothing]
I cannot deal with the way that I feel inside
I've got to know
[Living for nothing]
I don't wanna have to beg for another way
All I ever really wanted was a chance to say
That you're not perfect
You left me living inside of this whole
I'm tearing away from my soul
I feel myself losing control
I'm living for nothing
Chorus:
What would it be like to live a day in your life?
I want to know
[Living for nothing]
I cannot deal with the way that I feel inside
I've got to know
[Living for nothing]
I don't want to show my face
You left me living inside of this whole
I'm tearing away from my soul
I feel myself losing control
I'm living for nothing
What would it be like to live a day in your life?
I want to know
[Living for nothing]
I cannot deal with the way that I feel inside
I've got to know
[Living for nothing]
I cannot deal
I cannot deal

[Living for nothing]

I cannot deal
