Sometimes I wonder what it is you see in me.  
And what is it I make you feel?  
'Cause I've lived my life but you see some light in me  
Tell me is all this for real?  
I often wondered where I'd be if I wasn't in your arms  
So I'll take one last chance & may I have this dance?  
And I will give you the rest of my life

'Cause you make me feel  
Like I'm the luckiest man a live  
And I must have done something good in this life  
You make me feel  
Like I'm the luckiest man alive  
To win your love

Sometimes I lie awake & watch you sleep  
And then I look at myself and wonder what you see  
And when I almost lose my faith  
I see a smile come across your face  
And I know that you are dreaming of me

'Cause you make me feel  
Like I'm the luckiest man alive  
And I must have done something good in my life  
You make me feel  
Like I'm the luckiest man alive  
To win your love

Sometimes I honestly believe  
God's tryin' to make up to me  
For every dream he ever took away  
You know I still believe  
That I'm the...

I'm The luckiest man alive  
And I must have done something good in my life  
You make me feel  
Like I'm the luckiest man alive  
To win your love

Hey I'm the luckiest man alive

And I must have done something good in this life  
You make me feel  
Like I'm the luckiest man alive  
To win your love  
Hey I'm the luckiest man alive  
To win your love
