So?

My day is here now its my time  
my time to see  
my time to feel  
my time to live

All my life i've been 2nd best ut now its time  
I'M GANA STEP UP

you seem so far away i dont know yuo anymore  
my life is so full of sh\*t  
i dont care anymore  
go away see you later i cant help it anymore

My day is here now its my time  
my time to see  
my time to feel  
my time to live

all my life i just cant see it anymore

My day is here now its my time  
my time to see  
my time to feel  
my time to live (2x)

So nevermind my life  
nevermind me

My time has come this was my time but you ruined it  
you selfish little bi\*ch  
just like last time i'm gone like dust

so nevermind me this time i'm just gone like the rest of  
them

My day is gone now i'm nothing  
nevermind I cant see  
nevermind i cant feel  
nevermind i cant live (3x)

but i wont give up just watch me  
now its my time to watch you die  
you greedy little fu\*k  
just watch and see
