

## Dry Cell "Sorry"

I don't wanna change inside of me in respect  
To perfect the life as we both grow cold  
(Both grow cold)  
It's the very first time that I can see to believe in me  
If I told you so  
(If I told you so)

Now you now know how sorry feels  
Now you now know how sorry feels  
(Sorry feels)  
Now you now know how sorry feels  
Now you now know how sorry feels  
(Sorry, sorry)

Little bit of space, you said, you needed  
You cheated, repeated, conceitedness this  
(Everything you wanna take, you take, conceitedness)  
So you make a big mistake, fake and I won't take it  
back  
You're too much messed  
(You're too much messed)

Now you now know how sorry feels  
Now you now know how sorry feels  
(Sorry feels)  
Now you now know how sorry feels  
Now you now know how sorry feels  
(Sorry, sorry)

(Now you know)  
Everything you confide to one to  
(No, no, now you know)  
Everything that's mine you want to  
(No, no, now you know)

Everything that's inside you think it's  
(No, no, now you know)  
Having too much fun and you won't

Now you now know how sorry feels  
Now you now know how sorry feels  
(Sorry feels)

Now you now know how sorry feels  
Now you now know how sorry feels  
(Sorry, sorry)

Now you now know how sorry feels  
(I don't wanna change inside me of)  
(In respect to perfect the life as we both grow cold)  
Now you now know how sorry feels  
(Sorry feels)

(It's the very first time that I can see to believe in me)  
(If I told you so)  
Now you now know how sorry feels  
Now you now know how sorry feels  
(Sorry)

Now you know  
Now you know  
Now you know
