1 2 3 Suck It Up
1 2 3 Suck It Up
1 2 3 Suck It Up

It's not the end of the world
It's just a phase
They all love to see you fall
Flat on your face
It seems as hard as I try
They underestimate
I don't belong here anymore

No it's not me
No I can't breathe
No I am not afraid
It's just then end of the day

::Chorus::
How can I give in
When I cannot let go (Show me the way)
How can I get out of this hole

How can I give in
When I cannot let go (Show me the way)
How can I get out of this hole

In this burning house
No one can breathe
Through this wall of lies
No one can see
These words are much more
Myself and I
I don't belong here anymore

No it's not me
No I can't breathe
No I am not afraid
It's just then end of the day

::Chorus::
How can I give in

When I cannot let go (Show me the way)
How can I get out of this hole
Bring it x4
How can I give in
When I cannot let go (Show me the way)
How can I get out of this hole
How can I get out of this hole (Show me the way)
How can I get out of this hole (Show me the way)
Bring it x8
