What the hell is really goin' on these days?  
Who called for the no balls radio craze?  
I don't turn the damn thing on much anymore  
J.C. was the last of the old boys left  
The attitude died when we laid him down to rest  
I'm standin' in the eye of a hurricane outlaw storm  
So let's part the seas  
For the baddest S.O.B.  
And all the half-assed piece of crap wannabe's better  
believe  
We been waitin' on Hank to save our souls  
Kick a little dirt on the Country road  
That's been paved by the way they been spittin' on the  
old boys' graves  
An' we're waitin' on Hank, to come on back  
An' lay a little senior boot to ass  
And let the A&R man know they've taken this way too  
far  
You don't pee with the puppies  
Then crap in the big dog's yard

The honky tonk boy band boat will sink  
By the horror of a storm from a pissed off Hank  
An' you know that he's gonna be bringin' that hammer  
down  
We're gonna roll smoke, teach 'em how to drink  
'Cause the meek inherit nothin' not a goddamn thing  
And we'll know that the old boy's run 'em on outta town  
An' we're waitin' on Hank to save our souls  
Kick a little dirt on the country road  
That's been paved by the way they been spittin' on the  
old boys' graves  
An' we're waitin' on Hank, to come on back  
An' lay a little senior boot to ass  
And let the A&R man know they've taken this way too  
far  
You don't pee with the puppies & crap in the big dog's  
yard

(Waitin' on Hank)

(Waitin' on Hank)

I'm throwin' on a shine as we corrode  
I'm losin' my faith in the country soul  
An' who will take the blame for the suicide of music  
row?  
An' we're waitin' on Hank to save our souls  
Kick a little dirt on the country road  
That's been paved by the way they been spittin' on the  
old boys' graves  
An' we're waitin' on Hank, to come on back  
An' lay a little senior boot to ass  
And let the A&R man know they've taken this way too  
far  
You don't pee with the puppies  
Then crap in the big dog's yard

You don't pee with the puppies  
Then crap in the big dog's yard  
You don't pee with the puppies then crap in the big  
dog's...  
You don't crap in the big dogs yard
