(Wahoo)

She gave me

A bunch of nasty little looks

She called me every dirty word that's in the book

She says you

Just wanna party every night

I think it's time you get a feel for what it's like

She said you don't know what your in for

You tonight, she says you're gonna get yours

Now she's drinkin till she's pretty in a party in the streets

She's on a mission and it's going to extremes

A wild side of her I didn't wanna see

Cause she's drinkin till she's pretty

Much forgot about me

Well I knew

She was good upon her threat

She smiled at me and wrapped her arms around my friend

She says 'don't you worry baby, just forget about him'

She waved to me with that sadistic little grin

And says you don't know what your in for

You tonight, she says you're gonna get yours,

Now she's drinkin till she's pretty in a party in the streets

She's on a mission and it's going to extremes

A wild side of her I didn't wanna see

Cause she's drinkin till she's pretty

Much forgot about me

She says you, don't know what your in for

You, you're gonna hurt a little more ya you,

Tonight she says you're gonna get yours

Now she's drinkin till she's pretty in a party in the streets

She's on a mission and it's going to extremes

A wild side of her I didn't wanna see

Cause she's drinkin till she's pretty

She's drinkin till she's pretty  
Drinkin till she's pretty in a party in the streets  
She's on a mission and it's going to extremes  
A wild side of her I didn't wanna see  
Cause she's drinkin till she's pretty  
Much forgot about me  
Drinkin till she's pretty  
Forgot about me  
She's drinkin' till she's pretty  
Much forgot about me  
Drinkin' till she's pretty  
Forgot about me  
She's drinkin' till she's pretty  
Much forgot about me  
Drinkin' till she's pretty  
Much forgot about me  
Drinkin' till she's pretty  
Much forgot about me  
Drinkin' till she's pretty  
Much forgot about me  
Drinkin' till she's pretty  
Much forgot about me  
Drinkin' till she's pretty  
Much forgot about me
