Hey I ain't gonna lie about this
What can I say? I'm whipped
And knowin' that it's only your lips
I'm ever gonna kiss again
Is always gonna make me smile
I know I had you chewin' on glass
When I lost you in the past
I'd do anything to take that back
But I know I can't
So I'll just say

Thank you
For lovin' me imperfect
And every train wreck I may be
Oh it amazes me
How you will still believe
After what we've been through
Oh I know I will never be a loser
Here bein' loved by you

You've forgiven me n' everything
I came a long with my crazy dreams
And tried helpin' me earn my wings
So I could fly through heaven
When heaven's definition to me
Is already in where we sleep
'Cause you're the only thing I need
That could carry me higher

Thank you
For lovin' me imperfect
And every train wreck I may be
Oh it amazes me
How you will still believe
After what we've been through
Oh I know I will never be a loser
Here bein' loved by you

Oh I say
Thank you
For lovin' me imperfect

And every train wreck I may be
Oh it amazes me
How you will still believe
After what we've been through
Oh I know I will never be a loser
Here bein' loved by you
Bein' loved by you
