YEEEEAAAAHHHHH!  
(c'mon!)

Curse that carrion rogue  
And his companions burn them down.  
For he has conquered,  
All my wits and blinded me

The stone the builders rejected  
Has now become the capstone

Be cautious  
They're infected  
Be cau-au-tious

Don't let their blood in your veins.

Run Peter, Run !  
Run Peter, Run !  
Run Peter, Run !  
Run Peter, Run !  
Run !

Keep their blood out of your veins  
Plug it in now, charge your rage  
Try your best to consider  
yourself, yourself dead.
