I remember the days of old  
When I never had a clue no matter what I was told  
But now it seems like I could've been the ignorant one  
While you went out and you had fun  
Who knew that when you came over  
You'd be all fired up  
Responding like a coma patient should have known  
A lousy trick was all that you had shown

Yeah  
Right

Would I  
Could I  
Should I  
Take that back  
You don't dare attack me

Now looking at the things that everyone did say  
And in my own way  
I think I did lay  
Down to die  
To be crucified  
No matter how hard I try  
Couldn't see it through your lies  
As it turns out  
It's me that's been had  
A victim of the evil  
But you seem glad  
Truth hurts more than lies  
Bring back the black inside your eyes

Yeah  
Right

Would I  
Could I  
Should I  
Take that back  
You don't dare attack me

The truth hurts more than lies

Bring back the black  
You won't ever attack me
