

Dry Kill Logic "Goodnight"

Now that I face,
The world with pain and sighs;
Strange but I,
Can understand the reasons why;

Forever is,
A word I can not describe;
The time has come,
To say goodnight..;

It makes no difference,
From now on;
Because why,
The time has come to say goodnight;

And how could I,
Be so sure we'd be so wrong;
And How could I,
Have a will weak with a mind so strong?

And only I
Can tell the difference, right or wrong;
It makes no difference from now on,
The time has come to say goodnight

It makes no difference
From now on..
Right?
I guess it's best we say goodnight.
