(Verse 1)

Descend, alone in this world, been forgotten
(forgotten x 2)
If only we had been more certain..
Now I have given everything this last time
(the last time x 2)
And taking nothing back in return...

(Pre-chorus)

You don't make me....What I am....

(Chorus)

In my eyes, you're blinded
You'll never be anything at all
In your eyes, reminded
Purest enemy, too far gone

In my eyes, you're blinded
You'll never be anything at all
In your eyes, I'm hoping
You'll never be too far gone

(Verse 2)

Defend all the words spoken, say nothing..
(say nothing x 2)
The time has come and gone for changing..
We spend our final moments here together
(together x 2)
Without a scream, without a whisper

(Pre-chorus)

You don't make me....What I am....

(Chorus)

In my eyes, you're blinded
You'll never be anything at all
In your eyes, reminded

Purest enemy, too far gone

In my eyes, you're blinded
You'll never be anything at all
In your eyes, I'm hoping
You'll never be too far gone

Too far gone...
Too far gone...

If you could come in all misguided
What is left to say?
When everything you know is taken
Can you all go away?

(Chorus x 2)
