

## Dry Kill Logic "Lost"

I have nothing - everything's taken from me  
Force what's inside out on those that try to hide  
I see I hate all the love you try and fake

No give all take - this will bend but never break  
That will blind you All alone inside

Chorus:

These are the things and the ways  
So you follow On your knees do you

Spit or you swallow?  
Without you I'm... Lost  
3 things ring clear  
Truth be told  
How can you feed - ignorance  
Gone and the rest will carry on  
In bliss is real?  
Soon you'll be  
Is what you fear  
So is it true in  
Difference has spoiled you?

Chorus

See the ways I've  
Gone and I've tried  
Never dismissed  
With only one wish  
To be seen  
Having to be heard  
Since you ignored all this  
Cause it's never been the same  
Life passed you by having seen  
Feeding off the compromise  
Fuck  
The well is dry  
All in due time-  
That-fuck you  
Careful what you  
Wish is true  
Who will fall last?  
Having seen the failure pass
