Bitch

Come on little boy  
You think you're a man  
You scare those little bitches 'cause it's all that you can  
Dude, you look like a fool  
And no (???)  
(???)  
Touch you boy  
You are going to pray and you are  
Listen to little boys and  
Get the fuck outta' my way  
Think tattoos make you tough?  
I have had enough

I got the back like a bullet that you pray that I miss  
I got the back like a bullet that you pray that I miss  
I got the back like a bullet that you pray that I miss  
I got the back like a bullet that you pray that I miss  
Fuck

If I am wrong seeing you again  
I'm telling you now it's gonna be the end  
Cause I am done fucking around are you feeling proud  
I am going to be the only truth (???) do you think you're  
tough guy  
When I got up in your face you were ready to cry  
You got something to say you better say it to me  
Jump in, I don't say

I got the back like a bullet that you pray that I miss  
I got the back like a bullet that you pray that I miss  
I got the back like a bullet that you pray that I miss  
I got the back like a bullet that you pray that I miss

So let me so let me so let me so let me  
So let me tell you something dude 'cause I don't think  
you understand  
When you come up to here you're stepping into my  
land and this ain't nothing to do (???) to me  
I'm constantly surrounded by my brotherhood and my  
posse

Something that I'm trying to explain you couldn't figure  
it out  
It is unity and you hold no crown in anyone of my  
brothers  
Drop you in a coma take a baseball bat to your dome  
again  
I do not pretend that you don't offend me  
Do you finally see, giving you one to chance to turn  
around  
And walk away and there are people gonna make you  
pay  
You walk around here with the attitude that you are a  
king  
When I am done with you boy, your skulls gonna to ring  
(???) deal with you, now I am so

I got the back like a bullet that you pray that I miss  
I got the back like a bullet that you pray that I miss  
I got the back like a bullet you pray that I miss  
I got the back like a bullett you pray that I miss
