And I will say what's on my mind
If I can find my way from here
Or I will stay a fallen man
If I can't find my where from here

Zero nothing and then left to die
Could I have everything here with no surprise
Would I turn back the changes and yet we try
Abandon all abandon all on the inside

Now I see the light

And I will say what's on my mind
If I can find my way from here
Or I will stay a fallen man
If I can't find my where from here

Zero nothing and then left to die
Could I have everything here with no surprise
Would I turn back the changes and yet we try
Should I abandon all abandon all that is mine

Never again will I walk the line
More than spirits inside they're no friend
Of mine this is the same name
I can't come to grips with it and now I feel
And now I feel dismissed

Now I see the light
