I've had my fun  
If I don't ever get well no more  
I've had my fun  
If I don't ever get well no more  
I know my health is failin' me now  
I know that I'm goin' down slow

Won't somebody write my mother  
And tell her the shape I'm in  
I want somebody to write my mother  
Tell her the shape I'm in  
I want you to tell her to pray for me  
Ask her to forgive for all of my sins

Mother, please don't send me no doctor  
A doctor can't do me no good  
I don't want you to send my no doctor now  
Doctor just can't do me no good  
Back when I was a young boy, oh  
I just didn't do anything I should
