Duane Eddy & The Rebelettes

(Lee Hazelwood-Duane Eddy)

Hey, everybody, come along if you can

We're gonna take a ride uptown

And listen to the guitar man

Then we're gonna dance, yeah dance, C'mon dance

Dance with the guitar man, here he comes now

(guitar solo)

Hey, everybody, if you like rock and roll

You're gonna like the guitar man, cause he

plays it with alot of soul

It'll make you dance, yeah dance, c'mon and

Dance, dance with the guitar man,

Here he comes now

(guitar solo)

Hey, everybody, It's just about a quarter till two

But before they shut that door, there's somethin

We just gotta do, we gotta dance,yeah dance,

c'mon and dance,dance with the guitar man

here he comes now

(guitar solo)

dance, dance, here he comes now

dance,dance, here he comes now

dance,dance, here he comes now

dance,dance,dance,dance.....
