There's a little place
Here up town
We're gonna go there

Everybody comes
From miles around
We're gonna go there

And listen to the man
Play the boss guitar
Listen to the man
Play the boss guitar

Listen to the man
Play the boss guitar
Listen to the man
Play the boss guitar

Everybody listen to
The guitar man

Don't go away
We'll be back
Soon as we listen
To the yakety sax

He plays every dance
From A to Z
We're gonna go there

The Stomp and the Wobble
And the Watusi
We're gonna go there

And listen to the man
Play the boss guitar
Listen to the man
Play the boss guitar

Listen to the man
Play the boss guitar
Listen to the man

Play the boss guitar

Oh, play (listen)

Oh, play (listen)

Oh, play (listen)

Oh, play (listen)...
