You got your problems and I got my share  
Put 'em together, we're going nowhere  
I'm going to pieces, can't even get close  
You're lookin' through me just like I was a ghost

Now if you know what I mean  
Her heart doesn't open for anyone  
If I could just find the key  
To unlock the chains that surround her love

And I said, "Chains  
Chains around heaven  
Lock you away  
They keep me from you forever"

I'm just a loser, but never a fool  
And I'll never listen to your stupid rules  
I can't find the answers ah, to what we should do  
Your heart is in chains I don't have a clue

Now if you know what I mean  
Her heart doesn't open for anyone  
If I could just find the key  
To unlock the chains that surround her love

And I said, "Chains  
Chains around heaven  
Lock you away  
They keep me from you forever"

And I said, "Chains  
Chains around heaven  
Lock you away  
They keep me from you forever, forever"

Chains, chains around heaven  
Lock you away  
They keep me from you forever

And I said, "Chains  
Chains around heaven  
Lock you away

They keep me from you forever, forever"
