(Woah Baby!!)

On this night, a breakthrough is going down.

This is the last of my patience with you.

& So I wasted this on your final breath.

This is the time, the time, the time.

Oh, pick up the pieces. Oh, pick up the pieces.

Oh, pick up the pieces. Oh, pick up the pieces.

This night was harder than we thought.

This night was harder than we thought.

Wow, I?m back for you, so take my hand were going down.

Waste your flattery on me.

(I?m better of with the back side of your face)

Wow, I?m back for you, so take my hand were going down.

Waste your flattery on me.

(I?m better of with the back side of your?)

Oh, it?s time to go into the flames. Into the bitter taste.

Oh, it?s time to go into the flames. Into the bitter taste.

I?m taking back everything said, well I?m taking back everything.

It?s, It?s all been said. It?s all been..

I'm taking back everything said, well I'm taking back everything.

I, It's all been said, yea.

This is the final moment of our wasted life. Our finest hour.

Oh...

Wow, I'm back for you, so take my hand were going down.

Waste your flattery on me.

(I'm better of with the back side of your face)

Wow, I'm back for you, so take my hand were going down.

Waste your flattery on me.

(I'm better of with the back side of your?)

Oh, pick up the pieces.

Pick up the pieces.

Oh, pick up the pieces..
