Ambushed at your home
Pulling at the limbs you value most
Like it or not, I'm the brains of this operation
Taking terror to the next level, to the next level
Keep pressing on
Bitch with a gun on the bed
Hello sunshine
I'm back for more
With the old fashion axe in the wall routine
Because I'm capable of rape
And I'm capable of mass destruction
I don't think we can take this anymore
And at the rate we are going things just wont work out
That old shmuck had pressed his luck
That old shmuck had pressed his luck
Pressed his luck
Pressed his luck
Pressed his luck
