FALLING INTO YOU (Marie Claire D'Ubaldo)  
And in your eyes I see ribbons of color  
I see us inside of each other  
I feel my unconscious merge with yours  
and I hear a voice say, "what's his is hers"  
I'm falling into you  
this dream could come true  
And it feels so good falling into you  
I was afraid to let you in here  
now I have learned love can't be made in fear  
The walls begin to tumble down  
and I can't even see the ground  
I'm falling into you  
this dream could come true  
And it feels so good falling into you  
Falling like a leaf, falling like a star  
finding a belief, falling where you are  
Catch me, don't let me drop!  
Love me, don't ever stop!  
So close your eyes and let me kiss you  
and while you sleep I will miss you  
I'm falling into you  
this dream could come true  
and it feels so good falling into you  
Falling like a leaf, falling like a star  
Finding a belief, falling where you are
