It's alright, I'm just a girl she said
Talk down to me & take me to bed
I don't think I don't feel
& I don't really matter at all
Kiss me in darkness turn out the light
Pretend you're with someone else tonight
You don't think you don't feel
& I don't really understand why
I'm a person who speaks I'm a person who thinks
But you hope I'll forget as you ply me with drinks
& you cannot buy me & you cannot use me
But I know that you'll want to try...
It's alright, I'm just a girl she said
You can't buy me & take me to bed
Because I think
Because I feel
& you don't matter at all
Just a girl she said...
