Thinking back now
I suppose you were just stating your views
What was it all for?
For the weather or the battle of agincourt
& the times that we all hoped would last
Like a train they have gone by so fast
& though we stood together at the edge of the
platform
We were not moved by them
With my own hands
When I make love to your memory
It's not the same
I miss the thunder, I miss the rain
& the fact that you don't understand
Casts a shadow over this land
But the sun still shines from behind it..
Thanks all the same
But I cannot bring myself to answer your letters
It's not your fault
But your honesty touches me like a fire
The polaroids that keep us together
Will surely fade away
Like the love that we spoke of forever
..on st. swithin's day...
