(Lil Italy)

Whussup? This Lil Italy here with Ghetto Commision
yeah and that's power

My life styles on of the illest
I went from pimpin to jacking to candy dealing
And now I'm on a mission to start committing
Filthy loot lacing out the fucking ceiling
Everybody want to know how Lil Italy feeling
Payin dues I can't lose if I make the right moves
See this is major league ball
So I had to get the Ghetto Commision to pull the shit of
thick like fog
We put the weight on all you busters
And only fuck with real hustlers
Something that I can't get enough of
Hanging out the pestros side jump (jump)
Man that chopper be spinning that really saying
something
Now that's power

(Lil Italy/Ghetto Commision)

Say woodie ask yourself you quit working with that

Kicking a mob of 15 in less than an hour
A quick lunatic that would see to devour
Choppers bullets and bus once back respect's ours
First came the money from the royalty
They sayin oh gc came up ? ? ?

It's all about the loot
the cabbage the cream
Holla at me I'm with the power living the street dream

Rat a tat boom blocka blocka
Niggas breaking they neck ducking and running cause
they spread with the
chopper
I done lost my fucking mind again
To much smoke not enough oxygen
To many joes to many heinekens
And in my mind it says fuck em all stay born
Till you fall stay to the west bank
to the bank we gonna paper chase
Take over and dominate and ya'll bitches gone learn
Lil Italy and the commision with power to take yours

(Lil Italy/Ghetto Commision)

(Ghetto Commision)
