i've seen your eyes, you're in the garden today.
i wonder if you could talk, just what you'd think to say.
you know it's time for us to go, don't help me.
tomorrow i'm back here on my own, don't hate me.
no pain, won't strain i, i won't forget you.
we've been here together, since 1983.
i can't bear the thought, you'd have to die before me.
you know it's time for us to go, don't help me.
tomorrow i'm back here on my own, don't hate me.
no pain, won't strain i, i won't forget you.
you know it's time for us to go, don't help me.
tomorrow i'm back here on my own, don't hate me.
(x2)
no pain, won't strain i, i won't forget you.
