I know why you came  
This time that we've borrowed  
Imagine us now  
Talking tomorrow

We're not very big  
But we're certainly clever  
To go on together  
Well what makes sense now?

Disgraceful  
Will we ever say no?  
Disgraceful  
Will we ever say no?

It's wine that we feel  
That drives us together  
This hormonal vision  
That won't last forever

We're old enough now  
And we should know better  
To go on together  
Well what makes sense now?

Disgraceful  
Will we ever say no?  
Disgraceful  
Will we ever say no?

This match that I'm burning  
Two people still looking  
For something else

Disgraceful  
Will we ever say no?  
Disgraceful  
Will we ever say no?
