"It's alright, I'm just a girl", she said
"Talk down to me and take me to bed
I don't feel I don't think
And I don't really matter at all"

"Kiss me in darkness turn out the light
Pretend you're with someone else tonight
You don't feel you don't think
And I don't really understand why"

"I'm a person who speaks, I'm a person who thinks
But you hope I'll forget as you play me with drinks
And you cannot buy me and you cannot use me
But I know that you'll want to try"

"You can't buy me and take me to bed
Because I think, because I feel
And you don't really matter at all"

But you hope I'll forget as you play me with drinks

But I know that you'll want to try"

"Don't look in my eyes you may be surprised
To find I have answers to your questions why
Because I have no feelings or thoughts of my own
But I know that you want to try"
