Do I fail you?
Do you scare yourself?
I know you're not a saint yet
Neither am I

I guess that time put out the flame
Now I don't even know
The meaning of my name

How can it be over?
When it hasn't begun
How can it be over?
It hasn't begun

Free to come now
Be alone in the flesh
And I won't think of you
You don't want me to

I'll try to see myself
Should I step into the lake?
Free like mercury
The past we must forsake

How can it be over?
When it hadn't begun
How can it be over?
It hasn't begun

I write this song for you
As a contract for the love
And what was true or not
Won't compare to the ever

I tried to hold my hand
Should I fall into the sea?
Free like mercury
If only I could be
Over
What hadn't begun

How can it be over?
It hasn't begun
How can it be over?
When it hadn't begun
How can it be over?
It hasn't begun
