If you tell me what you're thinking  
You see differences between us  
It's the self same thing  
There's a pain that you've been feeling  
And you think that i'm ignoring  
You're wrong  
It's the same thing between us

[Chorus]  
(Ba ba da ba)  
We are the same  
(Ba ba da)  
It's the self same thing  
(Ba-ba ba da ba)  
We are the same  
(Ba da ba)  
It's the self same thing

I'm moody in the morning  
And my friends are very boring, what a shame  
It's the self same thing  
Your conversations tired  
And i know that you've been fired  
What a shame  
It's the same thing between

[Chorus]  
(Ba ba da ba)  
We are the same  
(Ba ba da)  
It's the self same thing  
(Ba-ba ba da ba)  
We are the same  
(Ba da ba)  
It's the self same thing

I hope one day, you'll understand  
We've an equal stake in all we've planned  
So put aside the divide you've seen  
I'm a girl, you're a boy  
It's so simple to see so

[Chorus x 3]  
(Ba ba da ba)  
We are the same  
(Ba ba da)  
It's the self same thing  
(Ba-ba ba da ba)  
We are the same  
(Ba da ba)  
It's the self same thing
