Gettin' kinda cocky I'm a filly love jockey from WAY
back in the sticks
Gettin' kinda cocky pouncin' on your hot legs is HOW I
get my kicks

Stickin' your neck out is what it's about
Eatin' red apples, better do it or die
I like those days, when I keep my skin
When I hit my wave, I'm gonna ride the wind

Gettin' kinda cocky I'm a filly love jockey from WAY
back in the sticks
Gettin' kinda cocky pouncin' on your hot legs is HOW I
get my kicks

The road is rough and rocky, when you're really free
and cocky
But you'll never stand tall, baby all brains, no balls
But my rock and roll, come on, oh man, call your own

Gettin' kinda cocky I'm a filly love jockey from WAY
back in the sticks
Gettin' kinda cocky pouncin' on your hot legs is HOW I
get my kicks

Preachin' love don't do no harm, but you don't have to
twist my arm
I like those days when I keep my skin
Got away with it once, and I'll do it again

Gettin' kinda cocky I'm a filly love jockey from WAY
back in the sticks
Gettin' kinda cocky pouncin' on your hot legs is HOW I
get my kicks...guitar
