Don't ya wanna rock and roll?
Don't ya wanna free your soul?
Don't ya wanna rock tonite?
Don't ya wanna feel alright?

Just listen to me
We'll try and see
Come along with me
Don't ya wanna rock,
Don't ya wanna rock.

Don't ya wanna rock and roll tonight?
Don't ya wanna feel alright?
Don't ya wanna rock and roll?
Don't ya wanna feel your souls?

Ah, it's feelin good
Like I knew it would
They say it's in your soul
Don't ya wanna rock and roll?

Just listen to me.
And you will see.
Come along with me.
Don't ya wanna rock.
Don't ya wanna roll.

Don't ya wanna rock and roll tonight?
Don't ya wanna feel alright?
Don't ya wanna rock and roll?
Don't ya wanna free your soul?
