Well now they started skinny minny  
And it turned to Jenny, Jenny  
With the dizzy miss lizzy blues,  
She smiled while we were strollin'  
And I knew that i was rollin'  
Got to tell my big buddy the news,

It's not the magic  
I's not the music  
It's not the moonlight  
I don't know when i felt like this before.  
About ten years time ago.  
When the band was singin'  
"Shakin' all over."

Well now they gave us Juicy Lucy  
And we did the Watusi  
In a Rockin' pair of blue suede shoes  
What she don't know won't hurt her  
Even though I might desert her  
Got to tell my best buddy the news.

It's not the magic  
It's not the music  
It's not the moonlight  
I don't know when I felt like this before  
About ten long years ago  
When the band was singin'  
"Shakin' all over."  
When the band was singin'  
"Shakin' all over."
