Boston, USA  
Here she comes now over the skyline  
I'm Home again, i'm feeling fine  
There's the River Charles and Kenmore Square  
I don't want to go anywhere  
There's another show, get in the van  
To another town to do it all over again  
I can't wait to get back Home  
To the city streets where I come from  
To the Dirty Water of Boston, USA  
It's 3 AM and I'm still not done  
I could walk these streets till i hit the dawn  
You don't know what you've got till it's gone  
I know this is where I belong  
It looks like it's still early, get some beer  
Let's catch the Green Line down to Kenmore Square  
Can you tell me where they put the Rat?  
To those memories i still look back  
To the Dirty Water of Boston, USA  
It was a summer night by the Mass Ave Bridge  
When i gave that girl a little kiss  
She said "I don't think i can see you no more"  
I said "If that's the case then I'll carry on  
Because the city streets are all there is for me"  
Friends come and go but these will always be  
I'll take the C-town, Cambridge, all the rest  
But i wont take no second best  
To the Dirty Water of Boston, USA
