When you're lying in bed at night do you think about a  
normal life?  
Do you think about a normal life like me?  
Take a look at my scars tonight  
They remind me of them awful times  
They remind me of the awful times we've seen  
We ran a long way from home  
I see it Plain and Clear  
There Aint Nobody Real  
Looks like I'm On My Own again  
When you're lying in bed at night do you think about a  
better life?  
Do you think about a better life like me?  
We ran a long way from home  
I see it Plain and Clear  
There Aint Nobody Real  
Looks like I'm On My Own Again
