Lets all ride to the sunset, you'll live a little longer if you  
patch up you wound,  
I WONT LAST WHEN THE SUN SETS, so you haven't got  
a prayer when the time comes?  
When I die I wont be headed to the right place... so let  
me take my gun.  
MY FACE IS THE FACE OF A CONVICT, do what you can  
to fill the hole in my chest.  
Son you just don't have a chance. oh good lord, you  
know you wont be coming home tonight,  
Well my day gets better by the hour. when they find you  
with your face in the dirt.  
When they shoot you partner down... PANIC, PANIC  
FUELS THE CROWD.  
234 that bitch got a lucky shot on me, this wont be a  
pretty show,  
My dogs got better luck than me this wont be a pretty  
show.  
So now old yeller please come save my soul...  
EVERYBODY INSIDE KEEP YOUR FACE DOWN, I'll SPRAY  
MY GUN ON YOU ALL. everybody leave.
