Well I'm always on the outside and I'm never to get in
But I wouldn't want to be there cause it's gotta be a sin
Well me, I'm just a rebel we all wish that we could be
But you ain't never seen before the things that my eyes
seen

Resist the Pain. It's all the same.
Well I've been the whipping post for some,
still knowing that my time will come.
I couldn't count the times that I've been hurt.
There were days I was out of luck,
and the lonely nights I faced were tough.
I knew someday I'd stand atop the world.

There ain't no one that I can trust as far as my eyes see
There ain't no one who gives a shit about the likes of
me
Well Patience is a virtue that you learn while on this
road
While I've been growing Stronger, all the rest been
growing old

Resist the Pain. It's all the same.
Well I've been the whipping post for some,
still knowing that my time will come.
I couldn't count the times that I've been hurt.
There were days I was out of luck,
and the lonely nights I faced were tough.
I knew someday I'd stand atop the world.

Well I've been the whipping post for some,
still knowing that my time will come.
I couldn't count the times that I've been hurt.
There were days I was out of luck,
and the lonely nights I faced were tough.
I knew someday I'd stand atop the world.

Well I've been the whipping post for some,
still knowing that my time will come.
I couldn't count the times that I've been hurt.
There were days I was out of luck,
and the lonely nights I faced were tough.

But now I know it's Me Against the World
