'Aint nobody gunna spit on me
'Aint nobody gunna worship me
Don't expect advice from me
We're all the same, the way it should be
Nobody's hero, nobody's fool
I 'aint going anywhere
Nobody's hero, nobody's fool
I'll come up short, but I just don't care
I don't expect too much from life
Just a little happiness
I can't afford to shoot for the stars
I'll do the best I can to reach for
Nobody's hero, nobody's fool
I 'aint going anywhere
Nobody's hero, nobody's fool
I'll come up short but I just don't care
