Ha! I know ya'll
Ya'll brothers out there used to watchin' me
But don't watch me
Watch my feet!

Watch my feet, w-w-watch my feet
Watch my feet, w-w-watch watch watch watch
Watch my feet, w-w-watch my feet
Watch my feet, w-w-watch watch watch watch

Watch my feet, w-w-watch my feet

Watch my feet, w-w-watch my feet
Watch my feet, w-w-watch watch watch watch
Watch my feet

The tick-tock up in my watch froze like Eskimos
We up in China eating egg-a-rolls
I got my hat hat, pimpin' in my shirt shirt
Escapones on my tags, watch the bitch flirt

Watch your boys try to get 'em, watch me squirt squirt
Watch 'em layin' real low up in the earth earth
We at the tip top, doin' flips and somersaults
We livin' well off the record sales of summer boss

Watch my feet, w-w-watch my feet
Watch my feet, w-w-watch watch watch watch
Watch my feet, w-w-watch my feet
Watch my feet, w-w-watch watch watch watch

Watch my feet, w-w-watch my feet
Watch my feet, w-w-watch watch watch watch
Watch my feet, w-w-watch my feet
Watch my feet, w-w-watch watch watch watch
Watch my feet

Ya dig! I'm back up in this muhfuh
Watchin' me watch your back up in this muhfuh
Watch these hoes, with they back up in this muhfuh
I make it rain twenty stacks up in this muhfuh

Ha! Ya dig! It's cold up in this up in this muhfuh
Yup! Froze, Chicago up in this muhfuh
Disdain, 50 below up in this muhfuh
I talked the hop, I flow up in this muhfuh
Ya dig!

Watch my feet, w-w-watch my feet
Watch my feet, w-w-watch watch watch watch
Watch my feet, w-w-watch my feet
Watch my feet, w-w-watch watch watch watch

Watch my feet, w-w-watch my feet
Watch my feet, w-w-watch watch watch watch
Watch my feet, w-w-watch my feet
Watch my feet, w-w-watch watch watch watch
Watch my feet
