Call me what you want  
Ask me what you will  
We are doing this  
For nothin' but the thrill

This is all we know  
This is all we need  
I don't give a fuck  
About how you feel

I know you've waited every day  
Let your jealousy fade  
Or you won't see through your hate

'Cause where we are, what we've found  
Is we don't need to wear your crown  
I don't mind, if it takes time  
Every mistake made was mine

And I don't mind  
Bring it back, yeah  
Bring it, bring it back, yeah  
I don't mind  
Bring it back, yeah

Gonna need more time  
Just to make things right  
We will bring you down  
We are the dynamite

Who the fuck are you?  
This is the life I lead  
Is it good being you?  
It's fucking good being me

I know you've waited every day  
Let your jealousy fade  
Or you won't see through your hate

'Cause where we are, what we've found  
Is we don't need to wear your crown  
I don't mind, if it takes time

Every mistake made was mine

And I don't mind  
Bring it back, yeah  
Bring it, bring it back, yeah  
I don't mind  
Bring it back, yeah

I don't mind  
Bring it back, yeah  
Bring it, bring it back, yeah  
I don't mind  
Bring it back, yeah

Woah  
Woo

'Cause where we are, what we've found  
Is we don't need to wear your crown  
I don't mind, if it takes time  
Every mistake made was mine

And I don't mind  
Bring it back, yeah  
Bring it, bring it back, yeah  
I don't mind  
Bring it back, yeah

I don't mind  
Bring it back, yeah  
Bring it, bring it back, yeah  
I don't mind  
Bring it back, yeah

Woah
