Do I say goodbye  
Shut the door and close your eyes  
Or wait until tomorrow  
We let this burn a little longer  
Until we grow stronger  
Until we fall apart

Say goodbye  
And take both of my hands  
You've danced your last dance  
Why don't you dance it for us?  
Take this dance as our last goodbye  
You've danced your last dance  
Why don't you dance it for us?  
Whoa whoa whoa! Whoa!

It's been too long  
and your never coming back  
it's no good saying sorry  
we let this burn a little longer  
until we grow stronger  
until we fall apart

Say goodbye  
and take both of my hands  
you've danced your last dance  
Why don't you dance it for us?  
Take this dance as our last goodbye  
You've danced your last dance  
Why don't you dance it for us?!

I fall!  
I'm not for you!  
I'm not for you!  
I'm not for you!

Say your goodbye  
(Dance for us, dance for us)  
Say your goodbye  
(Dance for us, dance for us)

Say your goodbye

(Dance for us, dance for us)  
Say your goodbye  
(Dance for us, dance for us)

Say goodnight when you close your eyes  
Say goodbye when you say goodnight  
Say goodnight when you close your eyes  
Say goodbye when you say goodnight

Whoa yeah  
Whoa yeah  
Whoa yeah  
Yeah whoa
