This city seems so cold
The bitter wind is blowing
Your heart into a storm
But you just need to say

(On and on and on and on and on)
Yeah, yeah, you just need to say
(On and on and on and on and on)
Yeah

You know you're not alone
(No, you're not alone)
You know you're not alone
(No, you're not alone)

You saved me
(Saved me)
You saved me
(Saved me)

You're walking on your own
But you don't really know
Where, where you need to go
But you just need to say

(On and on and on and on and on)
Yeah, you just need to say
(On and on and on and on and on)
Yeah

You know you're not alone
(You know you're not alone)
You know you're not alone
(You know you're not alone)

You saved me
(Saved me)
You saved me
(Saved me)

You know you're not alone
(No, you're not alone)

You know you're not alone
(No, you're not alone)

You saved me
(Saved me)
You saved me
(Saved me)

On and on and on, you're all I needed
Oh, you know, you know it's all we've got
Know, I'll be there just to stop the bleeding
Know, you'll be there waiting for the drought

You know you're not alone
You know you're not alone
(You know you're not alone)

You saved me
(Saved me)
You saved me
(Saved me)

You know you're not alone
You know you're not alone

You saved me
(Saved me)
You saved me
(Saved me)
