Chicano Rap is for the ones that always show love so what we do it to show love back (love back), Chicano Rap is for the Brown Pride, those that keep Chicano Rappers bumping in their al pines (al pines), Chicano Rap is for the OG, sippin on an OE, life story tatted up on both sleeves, its for the ones that make it happen, for every fucken latin tryna make it with this rapping

IÂ'm so confused trapped and IÂ'm trying to break loose its the mic or the cuete IÂ'm expected to choose but you see the truth Chicano Rap is made for the ones that can relate and way too sick of tired of run its for the people that have been through hell on earth who seem to have the odds against them since their day of their birth who run around and try to figure what their living is worth and everything that seems to happen brings a feeling of curse everyday that slowly passes got em dealing with worse they feel like all the pain will probably end up killing em first til they feel like they cant handle one more day on this earth they feel a pain inside their chest but they donÂ't know why it hurts Chicano Rap is for the people that have been through that pain its for the one that wants to put a hollow point through his brain the limit is the sky we cant make it over night but eventually we might we just gotta do it right

Chicano Rap is for the youngsters that are ready to shine heavy with rhymes get ready cuz tomorrow is your time, Chicano Rap is for the ones that always show love so what we do it to show love back (love back), Chicano Rap is for the Brown Pride, those that keep Chicano Rappers bumping in their al pines (al pines), Chicano Rap is for the OG, sippin on an OE, life story tatted up on both sleeves, its for the ones that make it happen, for every fucken latin tryna make it with this rapping, Chicano Rap is culture

Dreams are like the opposite theyÂ're not what they seem we go through life confused tryna figure out what they mean we get our hopes up on something that we never can have until you in the fucken stealing cuz

you wanna it so bad what about rap forgot about that in fact you chose to put the mic down and walked out and never looked back you know when you hit rock bottom the problem is got you and suicide is something that you thought to do but never took it serious at least until today you feel like it's the only way to take the pain away okay aye see that I can relate to it seems like people hate you and you feel like if you just don't have the strength to and when you try to do some good in your life everybody acts like nothing that your doing is right like everything your doing aint enough you got it fucken rough to the point where you for reals don't give a fuck your tired burned out from slippin in fire only way to ease the pain is to get higher close your eyes and think about those fucked up times and now try to read between the lines listen deep within the rhymes what chu find

Chicano Rap is for the ones that always show love so what we do it to show love back (love back), Chicano Rap is for the Brown Pride, those that keep Chicano Rappers bumping in their al pines (al pines), Chicano Rap is for the OG, sippin on an OE, life story tatted up on both sleeves, its for the ones that make it happen, for every fucken latin tryna make it with this rapping, Chicano Rap is culture

Chicano Rap is evolving cuz the talent increase we try to give a closer look at how it is on these streets so when we hearing these beats we grab a pen and some sheets and write down everything we feeling til we finally have peace you cant blame us not all Chicano rappers are gangsters but those of us that are you cant change us in fact its more dangerous carrying a felony cocked in my pocket paranoid cuz I'm a felon see you can say that enemies will be if they were meant to be and even though aint none of them your homies don't pretend to be this industry is hard we gotta walk twice as far jail time and scars to be a latin star they want cars, videos, limos, and hoes they rather rap about their money than reality homes fancy clothes sippin on expensive wine I rather rap about my life than rap about what aint mine I guess Chicano Rap will have to wait for its time so they can see it as music not a crime I hope to bring a shine to this industry but time is all that we can count on and those of you supporting these rhymes

Chicano Rap is for the ones that always show love so what we do it to show love back (love back), Chicano Rap is for the Brown Pride, those that keep Chicano

Rappers bumping in their al pines (al pines), Chicano Rap is for the OG, sippin on an OE, life story tatted up on both sleeves, its for the ones that make it happen, for every fucken latin tryna make it with this rapping, Chicano Rap is culture

We do it for us, Chicano gangster rap for just the right touch, its on, keep your straps cock back on every song on every album you drop, cuz we gotta come with enough heat to clear the whole music battle field, for real, cuz were taking it to a whole new level, we made a deal with the devil, so its do or die now, its our time to shine, for every latin on every street corner rapping, Chicano Rap is for the people that are still there, its time to celebrate, as long as lowriders keep on bouncing, firme hynas gunna keep on dancing, pelones gunna keep on representing, as long as thereÂ's Brown Pride, thereÂ's always gunna be Chicano Rap, remember that, Chicano Rap is culture
