Empty bottle of Vicodin,
The dirty clothes that I slept in,
Today I'm finally through, it's time for something new,

Morning coffee and Ritalin,
Haven't slept since I don't know when,
I need a friend or two, someone I haven't used,

Tremors, shakes, can't break this chill that's in my
veins,
Tremors, shakes, can't stop today, at least I quit
cocaine,

You dirty f*ck you lied again,
This isn't black tar heroin,
To get me through the day, I'll do it anyway,

I hid a gun in a darkened place,
A simple short arm's length away,
Somebody's gotta pay, I hate the world today,

Tremors, shakes, can't break this chill that's in my
veins,
Tremors, shakes, can't stop today, at least I quit
cocaine,

You can't stop me, I can't stop me,
Yeah, can't cure this chill that's in my veins,

Turn, go away, stop knocking,
Turn, go away, stop knocking,
Turn, go away, stop knocking,
Can't you tell there's no one home,

Tremors, shakes, can't break this chill that's in my
veins,
Tremors, shakes, can't stop today, I guess I quit
cocaine,

Tremors, shakes, can't break this chill that's in my
veins,

Tremors, shakes, can't stop today, at least I quit
cocaine,
