I'm so over you  
I don't think you have a clue  
Why I'm leaving

Tell someone who cares  
So you've read a lot of Shakespeare  
Over and over, get over it  
I say au contraire  
I don't think that I can stay here  
Yeah, we've been over and over it  
I don't wanna waste no more time  
Throwin' Gucci and diamonds  
After nickels and dimes

I'm so over you  
I don't think you have a clue  
Why I'm leaving  
(How easy comes goodbye)  
I'm so sick of it  
I'm already over it  
We ain't breathin'  
Our love has flatlined

You always love yourself  
More than you love me  
'Cept when I made you scream  
For some more of it  
You wear it so damn well  
Like a heart on a sleeve  
'Cept it's your vanity  
And I'm bored of it  
I don't wanna waste no more time  
Throwin' Gucci and diamonds  
After nickels and dimes

I'm so over you  
I don't think you have a clue  
Why I'm leaving  
(How easy comes goodbye)  
I'm so sick of it  
I'm already over it  
We ain't breathin'

Our love has flatlined

I'm so sick of it, I'm really over it  
I'm so sick of you now...  
I'm so sick of it, I'm really over it  
I'm so sick of you now... yeah

[Guitar Solo]

I'm so over you  
I don't think you have a clue  
Why I'm leaving  
(How easy comes goodbye)  
I'm so sick of it  
I'm already over it  
We ain't breathin'  
Our love has flatlined

I'm so over you  
I don't think you have a clue  
Why I'm leaving  
(How easy comes goodbye)  
I'm so sick of it  
I'm already over it  
We ain't breathin'  
It's over, flatlined  
Our love has flatlined
