

Duff Mckagan's Loaded "King Of The World"

Visit "[King Of The World](#)" on MotoLyrics.com

I've risen through the ashes of tragedy,
I've fallen babe you've seen the worst of me,
And you've seen me fly, hid when I got high,
Now that's all gone by,

Look into my eyes,
I'm the king of the world now honey,
Come along for the ride,
Cause I don't wanna bring anyone else no,

Been witness to the whore this world can be,
I sit in dumb wonder as it falls around me,
Now that's all gone by,

Look into my eyes,
I'm the king of the world now honey,
Come along for the ride,
Cause I don't wanna bring anyone else no,

Don't you try to hide,
I got you in my gaze now honey,
It's like getting high,
Going down in a fire fight, yeah

When everything is upside down,
And the world's burnt to the ground,
I am the nuclear cloud,

Look into my eyes,
I'm the king of the world honey,
Come along for the ride,
Cause I don't wanna bring anyone else no,

Don't you try to hide,
I got you in my gaze now honey,
It's like getting high,
Making love in a fire fight, yeah, yeah, yeah

It's like getting high,
It's like getting high, yeah, yeah, yeah

Look into my eyes,
I'm the king of the world
You're my forgotten girl
