When your baby leaves you all alone  
And nobody calls you on the phone  
Dont you feel like crying  
Dont you feel like crying  
Oh, come on  
Come on and cry to me

When you're alone in a lonely room  
And there's nothing but the smell of his perfume  
Dont you feel like crying  
Dont you feel like crying  
Oh, Come on, come on and  
Cry to me

Well nothing can be sadder  
Then a glass of wine  
Alone  
Loneliness, loneliness  
It's such a waist of time  
Oh-oh yeah

You don't ever have to walk alone  
Oh, you see  
Come on  
Take my hand  
Baby won't you walk with me

When you're waiting  
For a voice to come  
In the night  
But there aint no one  
Now don't you feel like crying  
Dont you feel like crying  
Oh come on come on and  
Cry to me  
Dont you feel like  
Cra-cra-cra-cra-ing (cry to me)  
Dont you feel like  
cra-cra-cra-cra-ing(cry to me)  
oooh (cry to me) x4
